The COMMITTEE ON AWARDS AND FELLOWSHIPS. Each year this committee meets to decide whether the Association will give a fellowship award to the sole author or senior author of a meritorious publication in the field of archaeology. The awards are announced at the banquet of the annual meeting. Three other categories of awards are given: Achievement Award, Certificate of Merit, and Award of Meritorious Service.

The Committee ON CHAPTERS AND MEMBERSHIPS "shall have the duty of advising Chapters on ways and means of organization, of promoting useful programs, of increasing and stimulating membership, of methods for resolving internal difficulties. It may make recommendations to the Association on all matters pertaining to Chapters and the membership of Chapters and the Association". The Chairman shall prepare an annual report in writing and submit one copy to the Association Secretary at the annual meeting.

THE FINANCE COMMITTEE "shall recommend to the executive committee the method of depositing and investing all monies of the Association per se. It may not recommend the investment of monies in securities not approved for trust fund purposes by the State of New York." The chairman will submit a written report to the Association secretary at the annual meeting.

The PROGRAM COMMITTEE "shall have the duty of formulating the lecture program of the Association, and may initiate programs for research, educational display, and other matters intended to acquaint other scientific organizations and the general public with facts and requirements of New York State Archeology as in the By-Laws, page three. The program committee chairman works in conjunction with the Local Arrangements chairman to prepare for the annual meeting and will prepare a preliminary meeting notice and will make arrangements and send the registration information, flyers, brochures, etc., to the Association secretary by February 15th. The chairman will prepare a written report of the activities and submit one copy to the Association secretary at the annual meeting.

The NOMINATING COMMITTEE. The chairman appointed by the president, selects a slate of candidates to fill the four state offices of president, vice president, secretary, and treasurer. Nominations are called for a representative to the Eastern States Archeological Federation meeting. It has been the policy in recent years to automatically appoint each Chapter secretary to the committee.

THE PUBLICATIONS COMMITTEE "shall consist of the representative of each Chapter, one of whom may be appointed by the chairman, together with the editors of the Association's publications." It shall study the workings and problems of the Association publications "and shall annually recommend a publication budget to the executive committee." A written report will be submitted by the chairman of the committee to the Association secretary at the annual meeting.

The PUBLIC RELATION DIRECTOR, as established by the executive committee order of April 19, 1968 will have the duties to actively and selectively seek out students, University Departments of Anthropology, and selected individuals who might become members.

7. TRUSTEE OF THE ASSOCIATION

The Board of Trustees of the Association is made up of two trustees from each Chapter and each serve for a term of four years. One half of their number being elected or designated by their respective Chapter during each even year. Each Chapter will provide not more than two trustees or alternates, who together with the Association officers and Chapter presidents constitute the executive committee of the Association.

A trustee's main function is to be present and to represent his Chapter at the executive committee meeting and to make policy decisions for the Association as a whole.

(The names of all the trustees are listed in the Chapter section)

8. SECRETARIES INFORMATION

The following information has been prepared in order to assist secretaries in their work at the Chapter level.

MEMBERSHIP in the Association shall be divided into eight classes: Life, Active, Husband & Wife, Sustaining, Institutional, Student, Junior and Honorary. "A Chapter shall have no other classes of membership other than those of the Association."

ANNUAL REPORTS of the Chapter activities and work shall be prepared annually in the month of March. Thirty-six(36) copies will be forwarded by April 1st to the Association secretary for distribution to the Chapters.

8. SECRETARIES INFORMATION CONTINUED

ANNUAL MEETING time will require the most attention from Chapter Secretaries. For the purpose of mailing the ballots and to make up the ANNUAL TOTAL REPORT OF MEMBERSHIP, we must have a complete list of all paid Chapter members by FEBRUARY 1st. Forms are available from the Association secretary and should be used to insure conformity in reporting. A duplicate report must be sent to the Association treasurer. On September 1st, a numerical list is due. Only the number of memberships in each category is required in September. Other monthly reports will show only additions or deletions.

A Chapter OFFICERS LIST with names, addresses, zip code and term of office of all Chapter officers and the two trustees is due following regular Chapter elections.

EACH CHAPTER SECRETARY IS AUTOMATICALLY A MEMBER OF THE STATE NOMINATING COMMITTEE.

9. TREASURERS INFORMATION

The following has been prepared to assist you in your duties.

Treasurers will make payments to the Association treasurer for memberships in their respective Chapters at the following scale: Life \$50.00 (one time), Active \$3.50, Husband and Wife \$4.50, Sustaining (), Institutional \$5.50, Student \$2.00, Junior \$1.00.

"Treasurers should remit on the first of each month to the NYSAA treasurer the amounts allocated to the Association from dues collected the previous month."

Publication Distribution: Each paid membership, in the categories above, (except junior) is entitled to one copy of each publication which NYSAA distributes in the fiscal year (Jan. 1 to Dec. 31) for which the membership is paid. Husband and wife memberships receive only one copy. Three copies are provided for Chapter files.

When secretaries send membership lists to the Association on Sept. 1st and February 1st, one copy should be certified by the Chapter treasurer and a check for all remaining unpaid dues to be sent to the Association at that time.

9. TREASURERS INFORMATION (Continued)

New memberships taken after the beginning of the fiscal year (Jan. 1st) will receive publications issued after that date for one year.

Treasurers should urge members to pay prior to March 1st so that secretaries can include as many names as possible on the mailing list for annual ballots.
