VOLUME #3 No. 3

MAY 1972

MSAA ARCHEOLOGY CONFERENCE We wish to congratulate the Van Epps - Hartley Chapter for all their hard work and planning for this annual affair. Notel accommodations were very good, and meeting rooms left little to be desired. Lectures and papers conducted through out Saturday and Sunday morning were excellent. The annual dinner on Saturday evening consisted of a Smorgasborg. If anyone went away hungry, it was their own fault. Many thanks to John and Fran McCashion, President Paul Huey and all the Chapter members whose hard work made a great success.—156 members registered and 124 attended the dinner.

OUR RETIRING PRESIDENT - MICHAEL J. RIFTON

Many Many thanks are due to Mike Ripton for the exceptional he accomplished during his two years of office. Few of the members of the Association realize the hours spent as president and probably only a handful ever see the correspondence involved. State secretary for three years and president for two, he led the Association on the uphill climb. Statewide news releases, membership drive, Mon-profit reorganization are just a few of the many projects undertaken.

To you from all of us we say, "Thanks for a job well done."

By now you must realize that you are stuck with last years editor again this year. All the mistakes and misspelled words are free but I have high hopes of writing one newsletter free from mistakes before I retire.

The office of Vice president is half way between and little correspondence comes this way. I am asking each of you to send what ever news you have to keep the newsletter alive. I. F. Shlers, 8 Jackson Avenue, Middle own, M.J. 10940
