ASSOCIATION NEWSLETTER

VOLUME #3 NUMBER #8

DECEMBER 1972

AND SO ENDETH THE YEAR December 31, ends the 56th year of the Association. To State and Chapter officers, this means annual reports. Mrs. McCashion will have the largest work load of all, with ballots to mail to each individual member, Chapter annual reports to collect, membership cards to type and mail and her own report to complete. Chapter secretaries and treasurers can help to ease the tremendous load by sending their 1973 dues in on-time (Before February 1st). This will enable the Secretary to make out the envelopes prior to her deadlines. Chapter Treasurers should be receiving forms from the State treasurer, Volkert Veeder. A complete financial report must be submitted for each chapter. The Association must submit a report to the Internal Revenue Service in order for us to maintain our Non-profit status. Annual Reports from each Chapter should be sent to the State Secretary prior to April 1st. Thirty-five copies are needed. Just so that no one is left out - All Committee Chairmen and State Officers should send reports of their activities to President Charles Pierce.

HAVE YOU THOUGHT ABOUT A STATE OFFICE? - YES YOU !!!

Probably one of the most frustrating positions in the NYSAA is the office held by Kingston Lerner, MD. Dr. Lerner, Chairman of the Nominating Committee works very hard to accomplish the job of filling the positions for State Offices. Each year he is placed at the mercy of each and every member and hopes, through his efforts he will have enough volunteers to fill the slate. In recent years, not enough members have come forth to conduct contests. Each Chapter secretary is automatically a member of the nominating committee. Lets all help. If any member is uncertain concerning the duties of any of the offices, Dr. Lerner will be more than happy to explain the duties. He can not afford apathy in the NYSAA. These are trying legal times for archeology and we need the best member for the job. Please Help!

### Chapter Elections

Chapters electing new 1973 members are requested to send a copy of the names, addresses and telephone numbers of the new officers to me. This will insure your chapter that newsletters and other material will be sent to the proper officer. We would also like to print the new officers in the Newsletter.

\* \* \*

### MEMBERSHIP

You will find enclosed with this newsletter, copies of the September 1, membership reports. All Chapters concluded their 1972 year on December 31, according to the NYSAA Constitution. I would appreciate it if the Chapter Secretary or Treasurer would correct their membership and send the final 1972 membership to me so we may arrive at the total 1972 Association Membership.
