NEW YORK STATE ARCHEOLOGICAL ASSOCIATION

VOLUME 4 NO. 2

FEBRUARY 1973

## CONVENTION NEWS

Call for Papers A second call for papers for the annual meeting has been sent out. The deadline for reporting your presentation is March 1st. Please include a 25-50 word abstract of your paper and forward to Dr. Elisabeth Dumont, Program Chairman, 29 High Ridge Road, Monroe, New York 10950.

Publications Committee: Dolores Elliott, Chairman, reports that only a few Chapters have made appointments to this committee and that each Chapter should appoint a representative. A meeting of this committee will be held on Friday night, April 6, at the convention.

Displays: Display space will be available at the Holiday Inn, Convention Headquarters. All Chapters wishing to display material should contact: Lewis Dumont, 29 High Ridge Road, Monroe, N.Y. 10950 or Miss Carolyn Schrier, 128 South St. Ext., Jarwick, N.Y. 10990. Please state the amount of space required when writing.

Preliminary Meeting Notices Should be in the hands of interested parties by the 1st of March. Brochures, registration cards etc. will be mailed directly to Chapter Secretaries. The material for the members at large lists will be mailed to Mrs. McCashion and mailed with the ballots.

MEMBERSHIP Information requesting Chapter membership for the end of 1972 appeared in the December and January Newsletters. Letters were also sent and to date, only four Chapters have reported. Names and addresses are not necessary - Only a numerical total of each membership classification is required.

ARE YOU READING THE NEWSLETTER? IS IT BEING DISTRIBUTED TO OTHER CHAPTER OFFICERS?

Convention Publicity: No appointment has been made to replace the office of Public Relations Director left vacant when the most capable Dr. Gladys Haase resigned in October. Not that we will ever find a replacement for Dr. Haase but we certainly will have a problem finding one as dedicated.

Mr. Harold Jonas, Publicity Chairman for the Orange County Chapter and past editor and publisher has been writing Chapter releases for many years. He has consented to write the news releases and publicity for the annual conference. Using the statewide list of Newspapers compiled by Dr. Haase, releases have been sent to some sixty newspapers through out the State.

Mr. Jonas request that you watch for these articles appearing in your local papers and that articles be mailed to him so that we have an idea as to the newspapers that are printing the material. Mr. Harold J. Jonas, Box 511, Goshen, N.Y. 10924

Chapter Emblems: Chapter secretaries were asked to forward a copy of their Chapter emblems or logos to me. Most Chapters have responded by sending their Chapter letterheads. These have been enlarged to 11 x 14 pen and Ink sketches and will be on display at the convention. If your Chapter is not represented - blame your secretary.

1973 Chapter Elections: If you have elected Chapter officers for 1973 Please send a copy to me so that the Chapter mail can be properly addressed, and we can print the new officers and their addresses in the Newsletter.
